Dear Friends:

Grief is a normal response to the loss of someone you care about. Sharing your feelings and fears in a supportive setting can help ease the process of grief.

Rice Hospice will be offering a spring Support Group in two locations for individuals who have experienced a loss:

Willmar

This group will be held in Seminar 1 at Rice Memorial Hospital from 3:00 to 4:00 p.m. **This Support Group begins Tuesday, April 9, 2019, and will continue to meet on Tuesday, April 16, 23, 30, May 7 and 14.**

Benson

This group will be held in Conference Rm. A/B at Swift County Benson Health Services from 4:00 to 5:00 p.m. **This Support Group begins Monday, April 15, 2019, and will continue to meet on Monday, April 22, 29, May 6, 13, and 20.**

We hope through this shared experience you can help yourself come to terms with your own feelings and, over time, successfully reorganize a life that is meaningful to you.

If you are interested in attending one of these groups, please complete and return the form at the bottom of this letter by **Friday, April 5.** For more information, please feel free to contact us at 320-231-4450.
